Burgwin-Wright House to host diaper drive for NC Diaper Bank

Most people don't spend a lot of time thinking about diapers, but if you are a parent without enough of them they can become a major source of stress, guilt, and desperation. The Diaper Bank of N.C. - Lower Cape Fear works to meet this need by providing diapers to community partners for distribution to families in need in the community.

Donations will be accepted through March 31.
