This 1930s programme from the Durham County Committee of Colonial Dames of North Carolina outlines

The Durham County Committee of the NC Dames met on the third Wednesday of every month.

The booklet is completely handmade and illustrated with charming sketches.

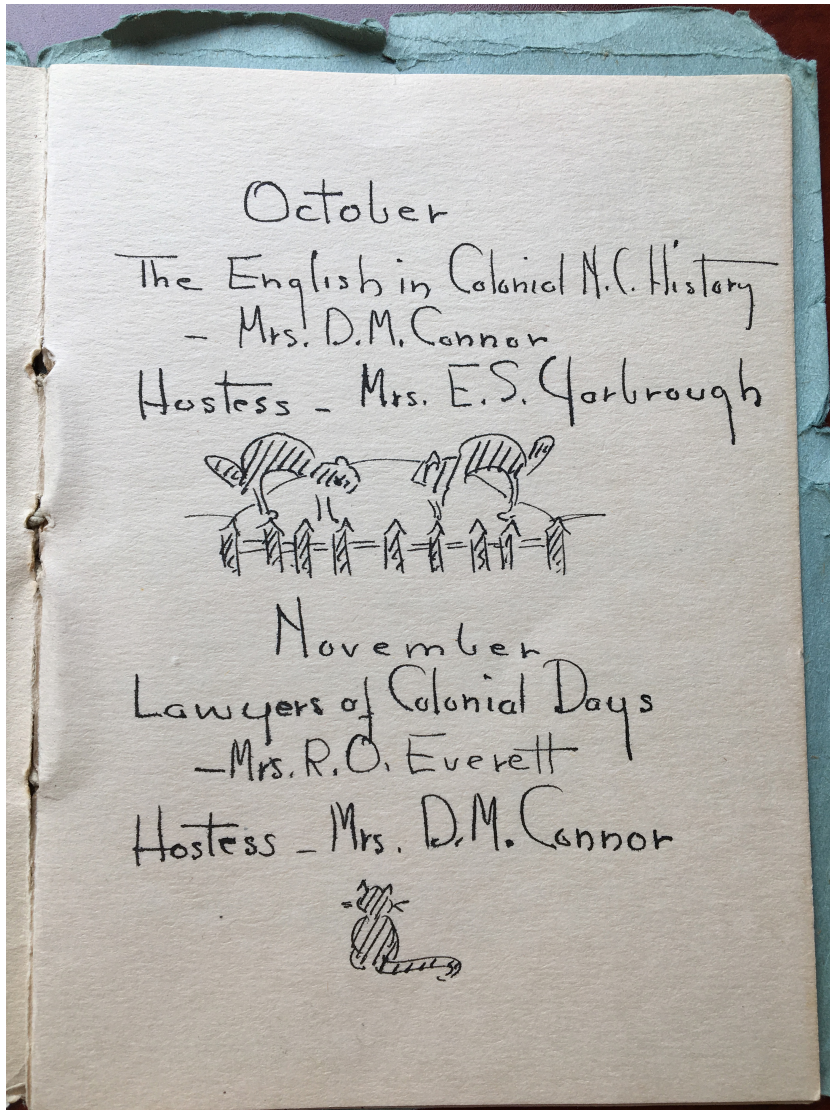

Every entry in the programme lists the month of each meeting, the title and author of that month's lecture.

The programme has a blue paper cover and is bound with string. It was written by hand in careful calligraphy.

The last few pages in the booklet list the names of the members of the Durham County Committee of Co

This booklet is a wonderfully preserved example of a handcrafted programme from the North Carolina D
